MESSRS. MACMILLAN & CO.'S BOOKS FOR INDIA.

THE GOLDEN BOOK OF INDIA.

A Genealogical and Biographical Dictionary of the Ruling Princes, Chiefs, Nobles, and other Personages, titled or decorated, of the Indian Empire.

By SIR ROPER LETHBRIDGE, K.C.I.E.

Royal 8vo, cloth, 40s.

The Times.—"No publication corresponding to our own *Peerages* and so forth, or to the *Almanach de Gotha*, has ever yet been devoted to the authentic record of Indian titles of honour. Sir Roper Lethbridge has laudably undertaken to supply this want by his elaborate volume of genealogical and biographical reference entitled, 'THE GOLDEN BOOK OF INDIA.' . . . It is probably destined to take rank as the recognised 'Peerage' of India. . . . Sir Roper Lethbridge's very laborious compilation may be recommended as a valuable and instructive book of reference."

BOOKS BY RUDYARD KIPLING.

MANY INVENTIONS. By RUDYARD KIPLING. Crown 8vo, 6s.

Times.—"Mr. Kipling's volume is fully equal to anything he has done. Exhibiting unimpaired all his characteristic excellences, it is remarkable for a wider choice of topic. This may fairly be taken as a sign of ripening powers."

Saturday Review.—"The stories are full of life, vigour, and directness. They hold the attention, and dwell in the memory. There is an immense deal of humour, any quantity of good sense and discernment."

PLAIN TALES FROM THE HILLS. Third Edition. Crown 8vo, 6s.

Saturday Review.—"Mr. Kipling knows and appreciates the English in India, and is a born story-teller and a man of humour into the bargain. . . . It would be hard to find better reading."

THE LIGHT THAT FAILED. Re-written and considerably enlarged.

Crown 8vo, 6s.

Academy.—"Whatever else be true of Mr. Kipling, it is the first truth about him that he has power, real intrinsic power. . . . Mr. Kipling's work has innumerable good qualities."

LIFE'S HANDICAP. Being Stories of Mine Own People.

Crown 8vo, 6s.

Observer.—"The stories are as good as ever, and are quite as well told. . . . 'Life's Handicap' is a volume that can be read with pleasure and interest under almost any circumstances."

MACMILLAN'S COLONIAL LIBRARY

OF COPYRIGHT BOOKS

FOR CIRCULATION ONLY IN INDIA AND THE COLONIES.

159. MISS STUART'S LEGACY. By MRS. F. A. STEEL.

Saturday Review.—"It throbs with the vigour of real creative power."

Spectator.—"It is remarkably clever; it is written in a style which has ease, dignity, grace, and quick responsiveness to the demands of the theme; it has passages of arresting power and fine reticent pathos; and it displays a quick eye for character and a power of depicting it with both force and subtlety."

Athenaeum.—"What she knows really is 'knowledge' well assimilated, therefore never heavy, obtrusive, nor out of place. . . . The descriptions of place and atmospheric effect are striking and unlaboured. The author obliges us to see with her eyes in a very few words."

Scotsman.—"One of the best Anglo-Indian novels ever written."

160. REMINISCENCES OF THE GREAT MUTINY, 1857-8-9.

Including the Relief, Siege, and Capture of Lucknow, and the Campaigns in Rohilcund and Oudh. By WILLIAM FORBES MITCHELL, late Sergeant 93rd Sutherland Highlanders.

SOME PRESS OPINIONS OF "THE WHITEHALL
SHAKESPEARE."

"The chief aim of the edition, which will consist of twelve volumes, is, says the editor, 'to provide a good text, printed in a type that may be easily read by all, at a moderate cost, and in a handy form.' These conditions it well fulfils. . . . The print is clear, the paper good, the margin sufficient, and the volume not too cumbersome."—*Times*.

"The text gives every evidence of being edited with care and scholarship. . . . On the whole, 'The Whitehall Shakespeare' promises to be one of the most generally attractive among the many editions of the bard which compete for public favour."—*Scotsman*.

"The general effect is excellent . . . it deserves a great success."—*National Observer*.

"'The Whitehall Shakespeare' commends itself by its convenient form, and its clear and handsome type, as well as by some special features, among which is the alphabetical index to all the characters in the plays in each volume."—*Daily News*.

"The type is large and very distinct, with an antique appearance which will be pleasing to Shakespeare-lovers. . . . It combines, as far as possible, the requirements of a library and popular edition."—*Literary World*.

"There is certainly no edition of Shakespeare in the market, which is more prettily got up or better printed. . . . On the whole, this new edition of Shakespeare, which is to be completed in twelve volumes, seems to us one of the best editions for the general reader that have ever appeared in this country."—*Scottish Leader*.

"Paper, print, and binding leave little to be desired."—*Standard*.
